

Summary of key changes

SEPA Instant Payments and Verification of Payee (VOP)

- On or before the 9th of October 2025 you can send and receive funds to your Current Account in under 10 seconds via our online services or in branch. We are also introducing Verification of Payee (VOP). VOP is a new security measure to ensure that your funds are sent to the intended recipient. When making payments you will be prompted to carry out a check to identify if the name of the payee you are paying matches the IBAN before you send the SEPA Payment. Clauses 5, 10, 13, 14, 15 and 16 have been updated to reflect these changes. [Click here to view the full document.](#)
